

# Teacher OF THE Month

## Starting in January 2021,

ORIGO Education will recognise a teacher every month in our newsletter and website. The teacher will be recognized from the *Stepping Stones* Foundation to Year 6 family of educators. We are looking for educators to share a story, activity or tip that has made an impact in their classroom.

- Entries will be considered throughout the year and you can submit more than one entry.
- A gift from our collection of ORIGO resources will be given for each selected Teacher of the Month.
- Share this flyer with colleagues who use *Stepping Stones* or any ORIGO resources.

Submit entries for Teacher of the Month here:
