	Duration and time commitment <ul style="list-style-type: none">• 10 week self-paced course• Approx. 2 week intervals between topics• Short videos, tasks, and support resources
	Cost <ul style="list-style-type: none">• \$500 (inc. GST) per school
	When <ul style="list-style-type: none">• Starting in Term 2, 2021• 10 week self-paced course
	Where <ul style="list-style-type: none">• Online

Peter Stowasser | ORIGO Education Senior Author

Peter is ORIGO's senior author and the creator of the *Language and Literacy in Mathematics* professional learning course. He has spoken at numerous international math education conferences, covering a range of topics across all primary year levels. Peter is in the final year of his PhD in mathematics education; his doctoral topic is related to fostering critical thinking in primary mathematic classrooms. Peter joined ORIGO in 2009 where he has contributed to the development of national and international mathematics programs, including the award-winning *Stepping Stones*.
